**INTERVIEW SUMMARY**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

On February 19, 2009, Applicants' Representative, Chris Andrzejak, conducted a telephonic Interview with Examiner Kiliman. The subject Interview Summary provides a record of the Interview on February 19, 2009.

During the Interview, no exhibits were shown and a demonstration did not take place.

During the Interview, the rejections of independent claims 1 and 11 under 35 USC §112, second paragraph, were discussed. More specifically, the Applicants and Examiner discussed the language upon which the Examiner based his position of unclarity, including the term "structured" within claims 1 and 11. The Applicants proposed an amendment to claims 1 and 11 based upon clarifying language from the specification of the application that provides further context for the meaning of the term "structured", and the Examiner was in agreement that the proposed amendment of independent claims 1 and 11 remedy any

uncertainty of the language in these claims so as to overcome all of the rejections under 35 USC §112, second paragraph.

Although no fees are believed due, the Commissioner is authorized to charge our Deposit Account No. 08-2789 for any fees or credit the account for any overpayment.

Respectfully submitted,
